WELCOME

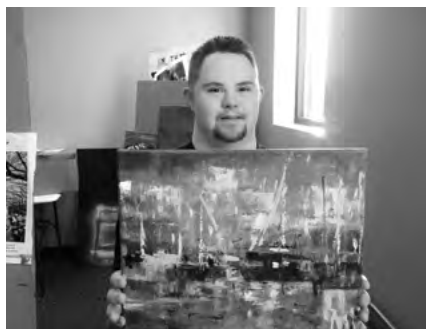

Welcome to the 7th annual disABILITIES Expo! This day has been planned just for you with more than 100 exhibitors to make this a one-stop resource for all types of disability services and products. We hope that you find what you need, and even more importantly, discover new resources to enhance your quality of life.

The Expo is also filled with fun and entertaining events, spectacular adaptive sports exhibitions and special guests making a difference in the disability world. This year, we welcome special guests Stephanie Decker and the Paralympic GoalBall Team to the Expo.

Helping you explore opportunities, expand possibilities and experience everything is what the disABILITIES Expo is all about. Spend a few hours or the entire day...we're glad you are here!

ABOUT THE COVER ARTIST

Matthew is part of Pathfinder Services Creative Abilities Studio where he created the painting displayed on the cover. He enjoys working in several mediums and paints with both watercolors and acrylics. In addition to painting, Matthew makes jewelry, sews items and works with paper mache'. He lives in Roanoke with his family, enjoys volunteering in his community, is an avid bowler, and participates in Special Olympics bowling, track, corn hole and basketball.

AWS Foundation

The **AWS Foundation** is pleased to host the 2016 disAbilities Expo, the only event of its kind in the tri-state area. Our mission is to help children and adults with enduring intellectual, developmental, and physical disabilities live as independently as possible, be included in the community and function at their highest potential. Since our grant making began in 2009, the Foundation has awarded grants totaling \$8.5 million to more than 80 northeast Indiana organizations working with individuals with disabilities and their families.

We extend a very special thanks to these sponsors and partners:

COMPLEX REHAB MOBILITY

NATIONAL
SEATING &
MOBILITY

National Seating & Mobility's only business is custom mobility, Rehab and adaptive seating systems.

During three decades, we've grown from five locations to a national network of professional Assistive Technology Providers (ATPs) serving clients, therapists and physicians across the U.S.

Our clients are often severely physically challenged. Most are pediatrics with diagnoses of birth defects, cerebral palsy, muscular dystrophy and spina bifida. We also serve teens, adults and seniors challenged with severe trauma, disease and skeletal disorders.

NSM works with physicians, therapists, and family members to provide proper equipment for functional use at home and throughout the community.

All Day Activities at the Expo

Find what you need from local, regional and national companies representing a wide range of services and products with the knowledge and resources to enhance your quality of life — for every ability at every age and stage of life.

“Tell Your Own Story” Tent

Everyone has a story to tell and Fifth Freedom would like to record yours. Stop by the “Tell Your Story” Tent to share your proudest achievements, lessons learned or the happiest moments of your life. Your personal story, told in your own voice, will be captured and shared along with others to inspire the community and advocate for those with disabilities.

Art Exhibit and Sale

Experience art in its various forms, styles and subject matter. It is all on display with many pieces for sale showcasing the artistic talents of individuals with disabilities in northeast Indiana.

Photography Partnership Project Exhibit

It is said that a picture speaks 1,000 words. These images not only speak, they create emotion. The people in these exhibit photos show that individuals living with disabilities are strong, confident, successful and, most of all, happy. Portraits of individuals with disabilities, photographed by University of Saint Francis visual arts students, will capture Expo-goers' hearts.

Graffiti Art Wall

Creating art is a very effective way to stimulate the brain and anyone can do it. Some think you have to create paintings or sculptures to be considered a real artist but that isn't always the case. Join the disABILITIES Expo in their first ever interactive Graffiti Art Wall to learn how getting immersed in a creative endeavor can relieve stress and improve your quality of life.

The advertisement for The Columbus Organization features a black and white photograph of a smiling family: a man, a woman, and a young child. The child is sitting on the man's shoulders, holding a large balloon. In the top right corner of the ad is the text "THE columbus ORGANIZATION". In the bottom left corner is a circular seal that says "ASPIRE to Excellence®", "carf", and "ACCREDITED". Below the seal, there is a paragraph of text: "Since 1984, Columbus' national reputation in serving individuals with special needs has been built on an outcome-oriented approach coupled with a commitment to work closely with the individual, their family, state agencies, and other interested stakeholders. Our top priority is to create, sustain and support relationships." At the bottom of the ad, in bold capital letters, is the phrase "MAKING A DIFFERENCE IN THE LIVES OF INDIVIDUALS WITH SPECIAL NEEDS". At the very bottom, the website "www.columbusorg.com" and the phone number "800.229.5116" are listed.

Special Guests

Stephanie Decker

stephaniedecker.com

In a moment life can change, roadblocks to recovery can appear, and the new normal can overwhelm a person's sense of hope and direction. When this happens, encouragement and hope can make all the difference. You won't want to miss Stephanie Decker, whose heroic acts in shielding her children from a tornado led to the injury and partial amputation of her legs.

Paralympic GoalBall Team

rio2016.com/en/paralympics/goalball

Our next special guest is the Paralympic GoalBall Team as they head for Rio de Janeiro. Their passion for the sport, desire to win, and story will rouse your competitive Olympic spirit!

Introduced as a medal event at the 1976 Paralympic Games, Goalball is a sport for athletes with visual impairments and is played in more than 100 countries. The game consists of two teams of three using a ball with bells inside. The ball is the size of a basketball but twice the weight. The object of the game is to throw the ball into the opposing team's net, while defenders attempt to block it with their bodies.

Deb Wagner

A native of Fort Wayne, Debbie Wagner has inspired many to achieve what they once thought was impossible. Her use of an assistance dog has not only offered an opportunity to continue to live independently, she has experienced many new adventures and uncover new possibilities. Deb works full time in the field of marketing and is also a freelance writer. In her spare time, she enjoys playing with her dogs, swimming, and spending time with friends and family. Make sure to hear Deb's message of HOPE.

RESTORING HEARING. RESTORING COMMUNITY.

HearCare®
CONNECTION

We are a local non-profit audiology center dedicated to providing hearing healthcare to under-served and under-insured men, women and children in Northeast Indiana. We believe that by restoring someone's hearing potential, we are able to help them reconnect to people and to their community.

Regional Special Arts Exhibit and Sale

Don't miss this opportunity to enjoy and shop these wonderful, artistic creations.

Artist Panel

Candy Pease of Do Art Collaborative, will lead a panel of artists with disabilities in a discussion on the positive opportunities art has created in their lives. Featuring topics such as how art helps people with disabilities communicate and express themselves in new ways, learn more about how art may benefit you or someone you know.

Curated By:

Photography Partnership Project Exhibit

Portraits of individuals with disabilities, photographed by University of Saint Francis visual arts students, will capture Expo-goers' hearts and provide a glimpse into what makes the subject matter so special. We express our thanks and appreciation to Professor Cara Wade and the visual art students for capturing these images.

Adaptive Sports

Adaptive Sports Exhibitions

Turnstone's adaptive sports and recreation program, recognized as a Silver Level Paralympic Sport Club, is the fourth largest program in the country. Cheer on Turnstone teams as they demonstrate their athletic prowess and their winning ways.

Wheelchair Basketball

The Turnstone wheelchair basketball team is a group of talented athletes with a history of winning. Both the Prep and Varsity Division teams are members of the NWBA and play in tournaments across the country as they vie for a national championship.

In order to start playing wheelchair basketball there is only one piece of equipment that is needed that is different from playing stand up basketball – a wheelchair! Cheer on these Turnstone teams as they demonstrate their athletic prowess and their winning ways.

Power Soccer

With numerous National Championships, Turnstone's Flyers power soccer team is a real power house on the court. Power soccer is a sport in which even those with very limited physical mobility can not only participate, but find great success! The game is played in a gymnasium on a regulation basketball court with athletes as young as 5 years old. Athletes' disabilities include quadriplegia, multiple sclerosis, muscular dystrophy, cerebral palsy, and many others. This exciting and fast-paced sport may be just the game for you.

Quad Rugby

Quad Rugby is unique amongst wheelchair sports in that it is not a derivative but rather is faithful to the rules of the game with tries, conversions and all the other familiar aspects of the game which makes it instantly recognizable. The Turnstone Rugby team plays in the national league and are always on the lookout for new players to join their ever expanding ranks. Stop by to find out more information and check out game play.

Power Soccer

Quad Rugby

Performances

Jesters

Dazzlers Cheerleading Squad

Jesters

The Expo stage welcomes the region's largest and longest-running theatrical troupe, the Jesters. A program of the University of Saint Francis School of Creative Arts, the Jesters provides an important creative and social venue for individuals with intellectual disabilities. This year's performance is "Believe You Me." The theme of this year's show is about the evolution of ideas.

Dazzlers Cheerleading Squad

The Whitley County Dazzlers continue cheering their way to the top. At the 2015 JAMFest in Sevierville, TN, the Dazzlers took first place with a perfect score of 100 points and now have three national titles that attest to their exceptional cheering skills. The Whitley County Dazzlers return to the Expo with their award-winning routine incorporating dance, cheer and stunts that will have you cheering for them!

Friends in Focus

Friends in Focus a cappella chorus composed of blind and visually impaired singers, brings cheer to those around them. The 10-member group, formed three years ago, belongs to the Fort Wayne Chapter of the Indiana Association of Workers for the Blind.

One Heart Bells and Voices Choir

One amazing thing about music is that it can affect people of all ages and abilities. Including both voice and bells into One Heart's choir brings joy to the faces of performers as they play and to the audience.

CREATING SOLUTIONS. CHANGING LIVES.

Easter Seals Arc is the leading non-profit provider of services for people with developmental disabilities.

Programs and services include:

- Employment services

An Introduction to Medicaid Waivers

What are Medicaid Waivers?

- Medicaid Waivers allow Medicaid to fund supports and services for children and adults with disabilities in their family homes or communities instead of institutions.
- Medicaid Waivers allow an individual to use traditional Medicaid services AND the additional services available under a waiver.

What Medicaid Waivers are available in Indiana?

Developmental Disabilities Waivers

1. Family Supports Waiver (FS Waiver)

- Provides home and community based supports for individuals who have intellectual or other developmental disabilities, including autism.

2. Community Integration and Habilitation Waiver (CIH Waiver)

- Provides home and community based supports for individuals who have intellectual or other developmental disabilities, including autism.
- The level of services available is based upon the individual's level of need and living situation.

How do you qualify?

- You must meet Indiana's Medicaid disability and financial eligibility requirements.
- Your family income and assets are NOT counted to determine eligibility for children under 18; however, assets or income in the child's name ARE counted. For those older than 18, only the individual's income and assets are counted.
- You must require the type of care that ordinarily would be provided in a Medicaid-funded facility, such as a nursing home, large residential facility or group home.

Where do you apply?

- Adults and children with intellectual or other developmental disabilities: Obtain the number for your local Bureau of Developmental Disabilities Services (BDDS) office by calling **800-545-7763**.
- Adults and children with medical needs requiring skilled nursing care/TBI: Obtain the number for your local Area Agency on Aging by calling **800-986-3505**.

What other supports are available to people with disabilities?

- Medicaid
- Health Insurance/Medical Supports
- Caregiver Support
- First Steps
- Early Childhood Education
- Special Education
- Vocational Rehabilitation
- Supplemental Security Income (SSI)
- Medicaid Funded Group Homes
- Natural Supports and Community Programs

AINMKT-0116-16 03.16

It's his life.

He deserves to grow up to be who he wants to be. To build skills for a lifetime. To be cared for and supported through all stages of development. To thrive.

Our one-to-one care puts you and your child first to create a comprehensive and customized program that is every bit as unique as they are.

It's his life—and together, we can make the most of it.
