WELCOME

Welcome to the 10th annual disABILITIES Expo! We are so happy you joined us to celebrate our 10th year. This event continues to grow thanks to people like you who show up for the fun day of opportunities, performances, and friendship.

This day has been planned just for you with more than 115 exhibitors to make this a one-stop resource for all types of disability services and products. We hope that you find what you need, and even more importantly, discover new resources to enhance your quality of life.

The Expo is also filled with fun and entertaining events, spectacular adaptive sports exhibitions and special guests making a difference in the disability world. This year, we are excited to introduce IndiandisabilityResourceFINDER.org and a scavenger hunt!

Helping you explore opportunities, expand possibilities and experience everything is what the disABILITIES Expo is all about. Spend a few hours or the entire day...we're glad you are here!

ABOUT THE COVER ART

To celebrate our 10th Anniversary, we held a cover art contest. Applicants submitted their interpretation of the celebration and the AWS Foundation staff voted on their favorite. The winner is Abigail (Abby) Deuter. She is a consumer at Passages in Columbia City. Abby's design included a unique take on the disABILITIES Expo logo and fireworks symbolizing celebration. The staff felt this image captured the celebratory spirit.

If you would like a 10th Anniversary disABILITIES Expo commemorative poster including Abby's art, you can pick one up for **FREE** at the Info booth.

AWS Foundation is pleased to host the 2019 disABILITIES Expo, the only event of its kind in the tri-state area. Our mission is to help children and adults with enduring intellectual, developmental, and physical disabilities live as independently as possible, be included in the community and function at their highest potential. Since our grant making began in 2009, the Foundation has awarded grants totaling \$19.8 million to more than 150 northeast Indiana organizations working with individuals with disabilities and their families.

We extend a very special thanks to these sponsors and partners:

Scavenger Hunt

To add a little fun to our 10th year celebration, we are sending you on a scavenger hunt for a fun prize. You will look for 10 items/tasks, then head to the FINDER booth to claim your prize. For instructions to play, see six pages ahead of this page, or pick up a sheet at the Info Booth. Good luck!

Art Exhibit and Sale

Experience art in its various forms, styles and subject matter. It is all on display with many pieces for sale showcasing the artistic talents of individuals with disabilities in Northeast Indiana.

Photography Partnership Project Exhibit

It is said that a picture speaks 1,000 words. These images not only speak, they create emotion. The people in these exhibit photos show that individuals living with disabilities are strong, confident, successful and, most of all, happy. Portraits of individuals with disabilities, photographed by University of Saint Francis visual arts students, will capture Expo-goers' hearts.

Photo Booth

Stop by Superior Van & Mobility to have some fun at the photo booth. The booth is free and fun for all!

Guest Performances

Jesters

Founded in 1979, the University of Saint Francis Jesters provides multi-disciplinary performing arts opportunities to people with intellectual/developmental disabilities (I/DD), ages 8-senior citizens. The Jesters program features a summer exploration, a core academic year program with an original culminating performance and guest artist residencies. In 2017, the Jesters presented artists from Second City Theatre Chicago who taught workshops on improvisational skills to people with I/DD. During 2018, the Jesters has launched a new integrated improv group comprised of people with and without disabilities. This year's lecture-demonstration will feature improv games presented by people with I/DD who are part of this new performing group.

Dazzlers Cheerleading Squad

The Whitley County Dazzlers Cheerleading Squad is in their 8th season with nearly 30 team members. This year the team performed in Orlando and spent a day at Disney enjoying each other. It's fun and friendship with a little exercise thrown in for a great show of spirit.

One Heart Bells and Voices Choir

One amazing thing about music is that it can affect people of all ages and abilities. Including both voice and bells into One Heart's choir brings joy to the faces of performers as they play and to the audience too!

Undignified

This inclusive dance group is made up of students in the Huntington University ABLE program and their peers. We are excited to have them on our Main Stage for the first time at the disABILITIES Expo.

Joyful Songsters

Joyful Songsters is a community choir open to all teens and adults with no audition required. The program is designed to provide an integrated choral experience for individuals with disabilities, senior citizens, and other teens and adults living in Huntington County. Choir members promote a sense of community involvement within their group and throughout the community while participating in high quality music learning and performance. They are currently accepting new singers with or without disabilities. Participation is free.

Premiere Dance Company: Soul Brothers & Soul Sisters

Premiere Dance Company believes every child can be a dancer and have FUN while learning. They pride themselves on their caring, conservative, and kind environment. Every child is an artist in their own way and this group embraces individual personality and style!

The Musical Buddies

The Musical Buddies, under the direction of Heather Palmer, is a young adults choir. The choir not only provides them with the opportunity to work on social skills with their friends but also the benefit of advocating for themselves and showing our community that they can do anything they put their mind to. They have performed at Sweetwater, the ASI Autism Acceptance Walk, the 2017 disABILITIES Expo, the IPFW Autism Celebration, and nursing homes throughout the area to name a few. The Musical Buddies are honored to be asked to perform on WBOI's Meet the Music program this summer!

Numotion is the leading provider of Complex Rehab Technology (CRT) in the United States. From manual and powered wheelchairs to disposable medical supplies that serve unique medical and functional needs, we are helping people of all ages live more freely.

An Introduction to Medicaid Waivers

What are Medicaid Waivers?

- Medicaid Waivers allow Medicaid to fund supports and services for children and adults with disabilities in their family homes or communities instead of institutions.
- Medicaid Waivers allow an individual to use traditional Medicaid services AND the additional services available under a waiver.

What Medicaid Waivers are available in Indiana?

Developmental Disabilities Waivers

1. Family Supports Waiver (FS Waiver)
 - Provides home and community-based supports for individuals who have intellectual or other developmental disabilities, including autism.
2. Community Integration and Habilitation Waiver (CIH Waiver)
 - Provides home and community-based supports for individuals who have intellectual or other developmental disabilities, including autism.
 - The level of services available is based upon the individual's level of need and living situation.

Division of Aging Waivers

1. Aged & Disabled (A&D) Waiver
 - Provides an alternative to nursing facility admission for adults and persons of all ages with a physical disability.
 - The waiver is designed to provide services to supplement informal supports for people who would require care in a nursing facility if waiver or other supports were not available.
 - Waiver services can be used to help people remain in their own homes, as well as assist people living in nursing facilities to return to community settings such as their own homes, apartments, assisted living or Adult Family Care.
2. Traumatic Brain Injury (TBI) Waiver
 - Provides home and community-based services to individuals who, but for the provision of such services, would require institutional care.
 - Through the use of the TBI, the Indiana Office of Medicaid Policy and Planning and the Indiana Division of Aging seek to increase availability and access to cost-effective traumatic brain injury waiver services to people who have suffered a traumatic brain injury.

How do you qualify?

- You must meet Indiana's Medicaid disability and financial eligibility requirements.
- Your family income and assets are NOT counted to determine eligibility for children under 18; however, assets or income in the child's name ARE counted. For those older than 18, only the individual's income and assets are counted.
- You must require the type of care that ordinarily would be provided in a Medicaid-funded facility, such as a nursing home, large residential facility or group home.

Where do you apply?

- Adults and children with intellectual or other developmental disabilities: Obtain the number for your local Bureau of Developmental Disabilities Services (BDDS) office by calling **800-545-7763**.
- Adults and children with medical needs requiring skilled nursing care/TBI: Obtain the number for your local Area Agency on Aging by calling **800-986-3505**.

What other supports are available to people with disabilities?

Take a guided journey or use the advanced search feature to enter what you're looking for and FINDER's technology will do the rest. FINDER is an online resource designed to collect and organize contact and service information from providers across Indiana.

Connect.

Learn about and connect with service providers, professionals and organizations that can help improve quality of life. Designed to help you locate options to make an informed decision that is best for your unique situation, FINDER does not endorse or promote programs, services, or providers.

Inform.

In addition to its existing content, IndianaDisabilityResourceFINDER.org is designed to give everyone the opportunity to submit new information and report changes needed to an existing listing that may benefit others. All of the information and resources shared are reviewed, verified and approved before they are published to ensure their accuracy and value. Promoting collaboration and sharing user feedback supports inclusion of opportunities and resources of all sizes and types from every community state-wide.

Questions? The best way to contact FINDER is by e-mail at Info@IndianaDisabilityResourceFINDER.org. If you would like to speak with a team member, be sure to ask for a return call and provide a phone number along with the best time to reach you.
