WELCOME

Welcome to the 11th annual disABILITIES Expo! We are so happy to bring this event back after two years of off.

This day has been planned just for you with more than 100 exhibitors to make this a one-stop resource for all types of disability services and products. We hope that you find what you need, and even more importantly, discover new resources to enhance your quality of life. The Expo is also filled with fun and entertaining events, spectacular adaptive sports exhibitions and special guests making a difference in the disability world.

Helping you explore opportunities, expand possibilities and experience everything is what the disABILITIES Expo is all about. Spend a few hours or the entire day...we're glad you are here!

ABOUT THE COVER ART

Wesley is a kind and very hard-working man in his midfifties. Each week, he takes his paycheck home to his mom where he proudly contributes to the family. This is essential to Wes. Recently he discovered that in addition to his work in Cardinal Services' manufacturing center, he can earn money through the art he creates in RedBird Art Studio. Wesley's art is organized and methodical. He starts by thoughtfully selecting his color palette. Then, beginning at the edge of his canvas, he adds splotches of color. Once he's happy with their size and placement, he joins up the splotches with a new color working from the center out. Then he begins layering. Wesley's art reveals his tremendous creativity and allows him to express his moods and feelings - not to mention, his work is strong and beautiful.

AWS Foundation is pleased to host the 2022 disABILITIES Expo, the only event of its kind in the tri-state area. Our mission is to help children and adults with enduring intellectual, developmental, and physical disabilities live as independently as possible, be included in the community and function at their highest potential. Since our grant making began in 2009, the Foundation has awarded grants totaling over \$38 million to more than 185 northeast Indiana organizations working with individuals with disabilities and their families.

We extend a very special thanks to these sponsors and partners:

All Day Activities at the Expo

Find what you need from local, regional and national companies representing a wide range of services and products with the knowledge and resources to enhance your quality of life — for every ability at every age and stage of life.

Sensory Activities

All around the Expo you can find tables with take-home kits to make your own sensory items. It will come with everything you need to make each one and instructions that are easy to follow. You'll be able to take a little part of the disAbilities Expo with you when you go home!

Art Exhibit and Sale

Experience art in its various forms, styles and subject matter. It is all on display with many pieces for sale showcasing the artistic talents of individuals with disabilities in Northeast Indiana.

Photography Partnership Project Exhibit

It is said that a picture speaks 1,000 words. These images not only speak, they create emotion. The people in these exhibit photos show that individuals living with disabilities are strong, confident, successful and, most of all, happy. Portraits of individuals with disabilities, photographed by University of Saint Francis visual arts students, will capture Expogoers' hearts.

Free Hearing Screenings

GiveHear is giving free hearing screenings all day. They are located in the alcove next to the concession stand.

Door Prizes

We've put together some great items that you have a chance to win. There's no purchase necessary, all we ask is that you fill out a survey. Good luck!

ResCare Community Living, dba ResCare Northern Indiana, serves over 400 individuals with ID/DD and employs over 600 people. Fort Wayne offers ICF services, Waiver and Periodic services, Residential Services, Structured Family Caregiving, Nursing, Wellness Coordination and Transportation.

We are CARF Accredited and offer services within Adams, Allen, Blackford, Dekalb, Delaware, Fulton, Huntington, Jasper, Jay, Kosciusko, Lagrange, Lake, LaPorte, Madison, Marshall, Newton, Noble, Porter, Pulaski, Starke, Steuben, St. Joseph, Wabash, Wells and Whitley counties.

The Fort Wayne operation prides itself on having a longstanding, dedicated leadership team with over 100 combined years of experience. It is a diverse and welcoming operation with:

- Excellent 24/7 on-call nursing and management personnel
- · Regional quality nursing support
- Competitive pay for DSP's and Caregivers
- Participates in Special Olympics, volunteering and donating
- Partnered with Western Reserve Our personal medical team (Nursing/physician care with 24/7 in-home and triage support)

If you are interested in more information please contact our Executive Director, Jaela Nichelson at 260. 704.0634 or jnichelson@rescare.com or visit one of our three locations:

4410 Executive Blvd. Fort Wayne, IN 46808 527 Park Place Mishawaka, IN 46545 1620 Country Club Road Valparaiso, IN 46383

Remote Monitoring Technology with a Personal Touch

Rest Assured® blends wireless monitoring and two-way chat with specially trained caregivers to help the individuals you care about stay safe while living as independently as possible.

Guest Performances

Jesters

Founded in 1979, the University of Saint Francis Jesters provides multi-disciplinary performing arts opportunities to people with intellectual/developmental disabilities (I/DD), ages 8-senior citizens. The Jesters program features a summer exploration, a core academic year program with an original culminating performance and guest artist residencies. In 2017, the Jesters presented artists from Second City Theatre Chicago who taught workshops on improvisational skills to people with I/DD. During 2018, the Jesters has launched a new integrated improv group comprised of people with and without disabilities. This year's lecture-demonstration will feature improv games presented by people with I/DD who are part of this new performing group.

Dazzlers Cheerleading Squad

The Whitley County Dazzlers Cheerleading Squad is in their 11th season with nearly 30 team members. This year the team performed in Orlando and spent a day at Disney enjoying each other. It's fun and friendship with a little exercise thrown in for a great show of spirit.

Cody Clark Cody Clark is a 2

Professional magician/autistic self-advocate Cody Clark combines his lived experiences as a magician, arts patron, and autistic adult to create a half-hour especially dedicated to the special needs community. In Cody's Sensory Friendly Spectacular, the magic looks gentle, there are no jarring images, no sudden sounds......but the magic is as impressive as ever! Even more impressive are the stories Cody weaves into his routines about what being autistic is like for him. You will be amazed and inspired by this show crafted just for the special needs community.

Kendra Lee - "This is How I Roll"

I was told that I would never amount to anything and I wouldn't be able to graduate with my brothers this went on since middle school all the way up to my senior year of high school but little did they know I would not take no for an answer I graduated with my high school diploma end now I am in college studying Human Services to become a community advocate for individuals with a disability.

The reason behind me wanting to become a community advocate for individuals with the disability it's because throughout my life I've had to fight every single day for everything I've ever gotten I know that it's exhausting trying to prove yourself every single day that you're more than your disability want to be able to share my experiences with individuals and let them know that we are not alone.

My passion project/ my brand is roll with life I started this when I was 16 simply because my brothers Had the passion For wheelchair basketball and I wanted to do something that created that same passion for myself. it's fully controlled by myself. The mission statement behind it is to empower individuals with a disability and to share awareness.

Joyful Songsters

Joyful Songsters is a community choir open to all teens and adults with no audition required. The program is designed to provide an integrated choral experience for individuals with disabilities, senior citizens, and other teens and adults living in Huntington County. Choir members promote a sense of community involvement within their group and throughout the community while participating in high quality music learning and performance. They are currently accepting new singers with or without disabilities. Participation is free.

Drum Circle

This drum circle is presented by Anna Matlack, MT-BT. She will have some of her clients performing and bring extra instruments in case anyone from the audience would like to join in on the fun!

In the Art Center

Regional Special Arts Exhibit and Sale

Don't miss this opportunity to enjoy and shop these wonderful, artistic creations. Curated By:

Photography Partnership Project Exhibit

Portraits of individuals with disabilities, photographed by University of Saint Francis visual arts students, will capture Expo-goers' hearts and provide a glimpse into what makes the subject matter so special. We express our thanks and appreciation to Professor Cara Wade and the visual art students for capturing these images.

DO YOU HAVE DIFFICULTY READING PRINTED MATERIAL?

AUDIO READING SERVICE IS HERE TO KEEP YOU CONNECTED TO THE WORLD AROUND YOU.

The Audio Reading Service broadcasts the reading of local and national newspapers, magazines, books and more to thousands of people who have challenges reading traditional printed materials. This service is provided at no cost by the Allen County Public Library.

To learn more, email audioreader@acpl.info, call (260) 421-1376, or visit www.acpl.info/ars.

ational Seating & Mobility (NSM) brings together industry-leading expertise, uniquely engineered systems and breakthrough technologies to provide products and services that help our clients move through life. NSM is the only national provider of complete mobility solutions with a national network of professionals and dedicated specialists focused on Complex Rehab Technology (CRT), Home & Vehicle Accessibility, and Service.

For more information about NSM services contact:
