

IEP WORKSHOPS

For the first time, the Disabilities Expo will feature two sessions on IEPs presented by representatives from IN*SOURCE. This is a great chance for parents and caregivers to learn how to support their student during IEP meetings. You will also be given the opportunity to ask questions for your specific needs.

NEED CHILDCARE?

We want you to be able to focus on the session and not worry about also trying to keep an eye on your child. We're partnering with Easterseals Arc of NEI and other volunteers to help out. All volunteers will be experienced with children and people with disabilities. Your child will still be in the same room, it will just be divided by a curtain. If your child has any support needs, you can disclose them in your registration.

You can only receive this service if you register ahead of time.

Date:

Saturday, May 11, 2024

Times:

Session 1 @ 11am

Session 2 @ 1pm

Location:

Allen County Memorial Coliseum
4000 Parnell Ave., Fort Wayne
